

Donation and Sponsorship Guidelines

Thank you for considering Moya Financial for community support. Moya's Community Giving Committee meets once each month; it may take **up to four weeks** to process your application. Following its review, we will contact you by email or phone to let you know if your proposal has been accepted for funding.

Please note that submitted applications will be evaluated against Moya's donation and sponsorship criteria.

Projects may be eligible for funding if they meet the following criteria:

- The applicant organization is a community-based, non-profit, volunteer, public service, or charitable organization;
- The proposal focuses on access and community learning, revitalization, transformation, leadership, collaboration, or the environment;
- The organization serves the Slovenian-Canadian community or our extended community membership;
- The organization is a member of Moya Financial; and
- The organization is listed in the community directory on Moya Financial's website (MoyaFinancial.ca) and promotes the event or project in the community section of MoyaFinancial.ca.

Your application is **not** eligible for funding in any of the following circumstances:

- It benefits only one individual;
- It supports travel costs;
- It supports a sports team;
- It requests a "table purchase" for a fundraising event;
- Its primary purpose is to promote a specific religious, social, political, or economic point of view;
- The organization discriminates based on race, gender, religion, lifestyle, or any other grounds;
- The organization's events and programs take place outside Ontario, even if Ontarians are involved in and participate in the organization; or
- The event or program represents a conflict of interest for Moya Financial or is considered not to be in line with our values.

The contents of the completed application form will be the main decision-making factor for donation or sponsorship support. To ensure a fair evaluation, make sure your application is filled out completely with all the requested information.

If your organization seeks support for multiple events through the year, please submit one form for all events.

All applications must be accompanied by Moya Financial's official application form, available at MoyaFinancial.ca. Requests received by telephone, fax, mail, or email without the application form attached will not be considered.

Make sure you identify marketing opportunities that come with your sponsorship that you think Moya Financial may want to take advantage of.

Note: Moya's community and social responsibility strategy recognizes that it is important to support a wide variety of organizations, so having received support from Moya Financial in the past does not influence the decision of the Community Giving Committee.
